

The Rotary Club of Greenville
is the premier service
organization of downtown
Greenville's business and
community leaders.

If you want to make a difference
in our community, use your
professional skills to help others,
meet interesting people and make
new friends, build international
relationships and change the
world, there's a place for you in The
Rotary Club of Greenville.

The object of Rotary is to
encourage and foster the
ideal of service as a basis of
worthy enterprise and, in
particular, to encourage
and foster:

1. The development of acquaintance as an opportunity for service;
2. High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying by each Rotarian of his occupation as an opportunity to serve society;
3. The application of the ideal of service by every Rotarian to his or her personal, business and community life; and
4. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional men and women united in the ideal of service.
